CRAC- Conservadors-Restauradors Associats de Catalunya

2013 was a year of adjustments for the new born CRAC, result of the merging between the two Catalan associations Grup Tecnic and the ARCC. This new association was in gestation during the years 2011-2012 and its creation was official the 1st of February of 2013, with a quite important number of 285 members.

The first half of the year consisted most of all in organising the new Committee, composed of twelve members coming from the two former associations. A General Assembly was also organised in May to present the new association to its members and have an exchange of views. But, despite great efforts and numerous meetings, the collaboration between the members of the committee failed, due to a lack of sense of community and fellowship among some members, combined with the impossibility to define a common goal. This situation led to the resignation of the President, Agnès Gall-Ortlik, followed by the one of the Vice-President, Núria Lladó and of the Treasurer, Marta Golobardes.

A new Assembly was organised in October to choose a new Committee. Ten members were elected. Until today, it is composed by Mireia Mestre as President, Rosa Senserrich as Vice-President, Mònica López as Secretary, Marta Golobardes as Treasurer and Mireia Campuzano, Agnès Gall-Ortlik, Rosa M. Gasol, Marta Oriola, Núria Pedragosa and Carme Ramells as vocals (see picture of the new CRAC Committee).
