Association	Fédération française des professionnels de la conservation-restauration
Country	France
Webpage	https://ffcr.fr/
email address	contact@ffcr.fr
Name of president	Aude Mansouri email aude.mansouri@yahoo.fr
Name of delegate	Éléonore Kissel email ekissel@conservationpreventive.com
No. regular members	331
PROFESSIONAL ACTIVITY	
Educational Implementation	Liaising with the four schools that deliver a Master's Degree level diploma in conservation-restoration in France.
Political activity	Liaising with the Ministry of Culture on several topics: <ul style="list-style-type: none"> - Organisation of the 2019 Journées professionnelles de la conservation-restauration / Professional Study Days on Conservation-Restauration on the theme <i>Anticipate! Know, predict, act in conservation-restoration</i> - Drafting of a document downloadable from the ministry's website on public tenders in conservation-restoration
Achievements	Several meetings took place with services of the Ministry of Culture regarding the creation of a protected title for conservator-restorers. There are discussions on the name, "engineer in conservation-restoration" being the preferred title by FFCR's official interlocutors.
Obstacles/ Difficulties	FFCR's request to the regulation of our profession was not deemed acceptable by the Ministry of Culture. Meetings between FFCR and E.C.C.O. discussed the pros and cons associated to the title "engineer in conservation-restoration".
DISSEMINATION	
Promotional Activity (lectures, meetings, workshops, exhibitions...)	Participation to three trade shows: <ul style="list-style-type: none"> - Salon du patrimoine / Heritage trade show: roundtable on <i>Practicing conservation-restoration in France and in Europe: a profession with multiple realities</i> - Salon des maires / French Mayors trade show - Salon du SITEM / International Museum Practices trade show: conference entitled <i>Natural History, musical instruments, clocks and watches, human remains and numismatic collections: discovering rare specialties in conservation-restoration</i>

	Social media visibility: <ul style="list-style-type: none"> - Facebook: 3 000 followers - LinkedIn: 1 400 subscribers to our account in a year - Twitter: 37 followers
Publication	Internal publications <ul style="list-style-type: none"> - Four issues of the e-publication <i>2 minutes de la FFCR</i> - Weekly edition of the newsletter <i>Informations, colloques et annonces</i>
OTHER ACTIVITIES	
Work on the French classification of economic activities with INSEE, the national statistical body.	
COMMENTS
