<b>COMMENTS</b>	
<p>At the General Assembly on 24.11. 2022, the members elected Dipl.-Rest. Susanne Beseler as the new president. In addition, the entire Board resigned and was newly elected. With this decision, the terms of office of the Executive Board and the Presidency were again synchronised, so that in future all elections will be held every two years. Harmonising the timing of elections ensures that the Executive Board's terms of office will be continuous in the future and allows the Executive Board to make longer-term plans without interruptions due to elections. In her inaugural speech, Susanne Beseler emphasised that she will work to continue and develop the work of the ÖRV.</p> <p>Board Members are:</p> <p>Dipl.-Rest. Susanne Beseler  Mag.
